1.3 PURPOSE OF THE RFP

The purpose of this RFP is to select one or multiple vendors that can satisfy the State's need for the administration of Toll-Free Consumer Hotlines, and it is the intent of the Division of Mental Health and Addiction to contract with a vendor that provides these services.

1.4 SUMMARY SCOPE OF WORK

The selected vendor(s) will be responsible for call-center operations related to three (3) toll-free, consumer hotlines. This includes providing excellent customer service while maintaining staffing adequate to ensure callers wait no longer than thirty (30) seconds on average to speak with a representative and no more than ten percent (10%) of calls are lost before a caller reaches a representative. The selected vendor should also have access to appropriate language services whether through directly hiring bilingual staff and/or using tele-interpreting services. The selected vendor will create and maintain a database of resources for callers approved by DMHA and maintain confidential call records and recordings.

DMHA intends to contract with a vendor capable of operating the following three (3) toll free hotlines:

1. *Consumer Service Line*: established to allow consumers and their families to express complaints or compliments about the services they receive, treatment, procedures, rights, and policies at Indiana mental health and addiction service providers to the Division of Mental Health and Addiction. It is available Monday – Friday, 8:30am – 5pm EST. The Consumer Service Line receives an estimated one thousand (1,000) calls each fiscal year on average.
2. *Federal Addictions Hotline*: a confidential and free information service for individuals and family members facing substance abuse and mental health issues. This service provides referrals to local treatment facilities, support groups, and community-based organizations. It is available twenty-four (24) hours a day, three hundred sixty-five (365) days a year. The Federal Addictions Hotline receives an estimated five thousand (5,000) calls each fiscal year on average.
3. *Indiana Problem Gambling Hotline*: a confidential and free access point to local resources for those seeking help for a gambling problem. It is available twenty-four (24) hours a day, three hundred sixty-five (365) days a year. Calls from the National Problem Gambling Hotline are routed directly to the Indiana Hotline as well. The Problem Gambling Hotline receives an estimated four thousand (4,000) calls each fiscal year on average.

The majority of calls for all three hotlines are received during normal business hours (8a – 5p). The selected respondent must be able to connect callers directly with providers via telephone. Further, the selected respondent must be able to handle crisis calls, which may include persons who are suicidal, homicidal, and/or in a situation requiring contacting emergency services (police, Adult Protective Services, Child Protective Services, etc.). Occasionally, the selected respondent may have to create a communication plan for repeat callers.

The selected respondent will also be expected to submit various reports related to each of the hotlines – daily, monthly, and annually.

Daily: Complaints or compliments received through the Consumer Service Line must be reviewed and assigned a code, based on the nature of the call and urgency with which it should be addressed. DMHA will provide the call coding rubric and the selected respondent and DMHA will work together to update call codes as needed. Information related to these calls, such as consumer name, call code, and response time, will then be sent securely to both the appropriate provider about whom the complaint/compliment was filed for response and DMHA for review on a DMHA-approved form by fax. DMHA also requires a daily log of calls received by the Consumer Service Line to be sent to the appropriate DMHA contact via email. The daily log shall include information such as, consumer name, agency name, call code, and basic demographic information.

Monthly/Annual: Detailed call information, demographics, and an analysis of call trends will also be reported for all three (3) hotlines on a monthly and annual basis. The exact content of reports shall be agreed upon by the selected vendor and DMHA.

The selected respondent will also be expected to maintain and monitor service quality throughout the life of the contract. This includes training (to include details of the contract, the mental health system in Indiana, addictions and gambling, etc.) and reviewing staff performance. The selected respondent will complete outcome surveys with at least ten percent (10%) of callers to each hotline, to ensure quality of service and referrals, and include that information in the monthly reports.

Finally, the selected respondent will be responsible for the design and distribution of promotional materials for the Consumer Service Line and Problem Gambling Hotline, to be sent to DMHA-certified providers bi-annually and on an as-needed basis.

In aggregate, the State spends approximately \$100,000 annually on [operation of the toll-free hotlines]. **Because this number is based on past usage and may fluctuate up or down, the State is not in a position to guarantee that future spending will be at these levels.** Nevertheless, this amount is provided as an aid to suppliers in responding to this RFP.

These figures are only an estimate and are not to be construed as an amount to be offered under this RFP. **However, when completing Minority and Women's Business Enterprises Participation Plan Form (Attachment A), the Indiana Economic Impact Form (Attachment C) and IVBE Participation Plan Form (Attachment A1) please use the total bid amount from the Cost Proposal (Attachment D).**

In addition, the Respondent should provide all certifications that proposed project team members hold in any of the third-party tools listed within the Technical Proposal. If the Respondent has had previous contracts with the State, it is required that the State be listed as one of the references. Information provided should include the name, address, and telephone number of the client facility and the name, title, and phone/fax numbers of a person who may be contacted for further information.

2.3.7 Registration to do Business

Secretary of State

If awarded the contract, the Respondent will be required to be registered, and be in good standing, with the Secretary of State. The registration requirement is applicable to all limited liability partnerships, limited partnerships, corporations, S-corporations, nonprofit corporations and limited liability companies. The Respondent must indicate the status of registration, if applicable, in this section of the proposal.

Department of Administration, Procurement Division

Additionally, respondents must be registered with the IDOA. This can be accomplished on-line at <http://www.in.gov/idoa/2464.htm>.

The IDOA Procurement Division maintains two databases of vendor information. The Bidder registration database is set up for vendors to register if you are interested in selling a product or service to the State of Indiana. Respondents may register on-line at no cost to become a Bidder with the State of Indiana. To complete the on-line Bidder registration, go to <http://www.in.gov/idoa/2464.htm>. The Bidder registration offers email notification of upcoming solicitation opportunities, corresponding to the Bidder's area(s) of interest, selected during the registration process. Respondents do need to be registered to bid on and receive email notifications. Completion of the Bidder registration will result in your name being added to the Bidder's Database, for email notification. The Bidder registration requires some general business information, an indication of the types of goods and services you can offer the State of Indiana, and locations(s) within the state that you can supply or service. There is no fee to be placed in Procurement Division's Bidder Database. To receive an award, you must be registered as a bidder. Problems or questions concerning the registration process or the registration form can be e-mailed to Amey Redding, Vendor Registration Coordinator, aredding@idoa.in.gov, or you may reach her by phone at (317) 234-3542.

2.3.8 Authorizing Document

Respondent personnel signing the Transmittal Letter of the proposal must be legally authorized by the organization to commit the organization contractually. This section shall contain proof of such authority. A copy of corporate bylaws or a corporate resolution adopted by the board of directors indicating this authority will fulfill this requirement.

2.3.9 Subcontractors

The Respondent is responsible for the performance of any obligations that may result from this RFP, and shall not be relieved by the non-performance of any subcontractor. Any Respondent's proposal must identify all subcontractors and describe the contractual relationship between the Respondent and each subcontractor. Either a copy of the executed subcontract or a letter of agreement over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes, and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, the technical proposal must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. The Respondent must furnish information to the State as to the amount of the subcontract, the qualifications of the subcontractor for guaranteeing performance, and any other data that may be required by the State. All subcontracts held by the Respondent must be made available upon request for inspection and examination by appropriate State officials, and such relationships must meet with the approval of the State.

The Respondent must list any subcontractor's name, address and the state in which formed that are proposed to be used in providing the required products or services. The subcontractor's responsibilities under the proposal, anticipated dollar amount for subcontract, the subcontractor's form of organization, and an indication from the subcontractor of a willingness to carry out these responsibilities are to be included for each subcontractor. This assurance in no way relieves the Respondent of any responsibilities in responding to this RFP or in completing the commitments documented in the proposal. The Respondent must indicate which, if any, subcontractors qualify as a Minority or Women Owned Business under IC 4-13-

16.5-1. See Section 1.21 and MWBE Sub-contractor commitment Form for Minority and Women Business information.

2.3.10 General Information

Each Respondent must enter your company's general information including contact information.

2.3.11 Experience Serving State Governments

Each Respondent is asked to please provide a brief description of your company's experience in serving state governments and/or quasi-governmental accounts.

2.3.12 Experience Serving Similar Clients

Each Respondent is asked to please describe your company's experience in serving clients of a similar size to the State that also had a similar scope. Please provide specific clients and detailed examples.

2.3.13 Indiana Preferences

Pursuant to IC 5-22-15-7, Respondent may claim only one (1) preference. For the purposes of this RFP, this limitation to claiming one (1) preference applies to Respondent's ability to claim eligibility for Buy Indiana points. **Respondent must clearly indicate which preference they intend to claim. Additionally, the Respondent's Buy Indiana status must be finalized when the RFP response is submitted to the State.**

Buy Indiana

Refer to Section 2.7 for additional information.

2.4 TECHNICAL PROPOSAL

The Technical Proposal must be divided into the sections as outlined in the Technical Proposal Template. Every point made in each section must be addressed in the order given. The same outline numbers must be used in the response. RFP language should not be repeated within the response. Where appropriate, supporting documentation may be referenced by a page and paragraph number. However, when this is done, the body of the technical proposal must contain a meaningful summary of the referenced material. The referenced document must be included as an appendix to the technical proposal with referenced sections clearly marked. If there are multiple references or multiple documents, these must be listed and organized for ease of use by the State. The Technical Proposal Template is located in the supplemental attachments.

2.5 COST PROPOSAL

For the purposes of this RFP, please use the provided Cost Proposal Template. The Cost Proposal Template is located in the supplemental attachments. **Your response should include a completed Cost Proposal Template, along with a narrative of your proposed invoicing plan within each project phase.**

The Cost Proposal must be submitted in the original format. Any attempt to manipulate the format of the Cost Proposal document, attach caveats to pricing, or submit pricing that deviates from the current format will put your proposal at risk.

2.6 INDIANA ECONOMIC IMPACT

All companies desiring to do business with state agencies must complete an Indiana Economic Impact Form (please see supplemental attachments). The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the state. The amount entered in Line 16 "Total amount of this proposal, bid, or current contract" should match the amount entered in the Cost Proposal Template.

2.7 BUY INDIANA INITIATIVE/INDIANA COMPANY

It is the Respondent's responsibility to confirm its Buy Indiana status for this portion of the process. If a Respondent has previously registered its business with IDOA, go to <http://www.in.gov/idoa/2464.htm> and click on the link to update this registration. Click the tab titled Buy Indiana. Select the appropriate category for your business. Respondents may only select one category. Certify this selection by clicking the check box next to the certification paragraph. Once this is complete, save your selection and exit your account.

Respondents that have not previously registered with IDOA must go to <http://www.in.gov/idoa/2464.htm> and click on the link to register. During the registration process, follow the steps outlined in the paragraph above to certify your business' status. The registration process should be complete at the time of proposal submission.

Respondent must clearly indicate which preference they intend to claim in the Business Proposal, (please see supplemental attachments). Additionally, the Respondent's Buy Indiana status must be finalized when the RFP response is submitted to the State.

If an out of state company does not meet one of these criteria, it can submit documentation/justification to the State for review for inclusion under this category.

SECTION THREE PROPOSAL EVALUATION

3.1 PROPOSAL EVALUATION PROCEDURE

The State has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with RFP requirements. All evaluation personnel will use the evaluation criteria stated in Section 3.2. The Commissioner of IDOA or his designee will, in the exercise of his sole discretion, determine which proposals offer the best means of servicing the interests of the State. The exercise of this discretion will be final.

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to requirements on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration.
- 3.1.2 Each proposal will be evaluated on the basis of the categories included in Section 3.2. A point score has been established for each category.
- 3.1.3 If technical proposals are close to equal, greater weight may be given to price.
- 3.1.4 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State, taking into account all of the evaluation factors, may be selected by IDOA and FSSA for further action, such as contract negotiations. If, however, IDOA and FSSA decide that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, IDOA may begin contract preparation with the next qualified Respondent or determine that no such alternate proposal exists.

3.2 EVALUATION CRITERIA

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the RFP in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 100). Negative points may be assigned in the cost score. Additionally, there is an opportunity for a bonus of five points if certain criteria are met. For further information, please reference Section 3.2.3 below. If any one or more of the listed criteria on which the responses to this RFP will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies, the specific criterion or criteria will be disregarded and the responses will be evaluated and scored without taking into account such criterion or criteria.

Summary of Evaluation Criteria:

Criteria	Points
1. Adherence to Mandatory Requirements	Pass/Fail
2. Management Assessment/Quality (Business and Technical Proposal)	30
3. Cost (Cost Proposal)	30
4. Indiana Economic Impact	5
5. Buy Indiana	10

6. Minority (10) and Women Business (10) Subcontractor Commitment	20 (2 bonus points are available if certain criteria is met)
7. Indiana Veteran Business Enterprise (IVBE) Subcontractor Commitment	5 (1 bonus point is available, see Section 3.2.7)
Total	100 (108 if bonus awarded)

All proposals will be evaluated using the following approach.

Step 1

In this step proposals will be evaluated only against Criteria 1 to ensure that they adhere to Mandatory Requirements. Any proposals not meeting the Mandatory Requirements will be disqualified.

Step 2

The proposals that meet the Mandatory Requirements will then be scored based on Criteria 2 and 3 ONLY. This scoring will have a maximum possible score of 60 points with a potential of 5 bonus points if certain criteria are met. All proposals will be ranked on the basis of their combined scores for Criteria 2 and 3 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be considered for any further evaluation.

Step 2 may include one or more rounds of proposal discussions, oral presentations, clarifications, demonstrations, etc focused on cost and other proposal elements. Step 2 may include a second “short list”.

Step 3

The short-listed proposals will then be evaluated based on all the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

- 3.2.1 Adherence to Requirements – Pass/Fail
Respondents passing this category move to Phase 2 and proposal is evaluated for Management Assessment/Quality and Price.

The following 2 categories cannot exceed 60 points.

- 3.2.2 Management Assessment/Quality - **30** points

- 3.2.3 Price – **30** points available

Price will be measured against the State’s baseline cost for this scope of work. The cost that the State is currently paying or its best estimate will constitute the baseline cost. Cost scoring points will be assigned as follows:

- Respondents who meet the State’s current baseline cost will receive zero (0) cost points.
- Respondents who propose a decrease to the State’s current costs will receive positive

- points at the same rate as bid increasing cost.
- Respondents who propose an increase to the State's current cost will receive negative points at the same rate as bid lowering cost.
- Respondents who propose a 10% decrease to the State's current baseline cost will receive all of the available cost points.
- If multiple Respondents decrease costs below 10% of the current baseline, an additional 5 points will be added to the Respondent proposing the lowest cost to the State.

3.2.4 Indiana Economic Impact (5 points)

See Section 2.6 for additional information.

The total number of full time equivalent (FTE – please see Section 1.2 for a definition of FTE's) Indiana resident employees for the Respondent's proposal, to execute the scope of work proposed in this RFP, (prime contractor and subcontractors) will be used to evaluate the Respondent's Indiana Economic Impact. Points will be awarded based on a graduated scale. The Respondent with the most Indiana FTEs will be awarded 5 points. Points will then be awarded to the remaining Respondents proportionately. Please see Attachment C, Indiana Economic Impact Form, for more detailed instructions.

3.2.5 Buy Indiana Initiative – 10 points

Respondents qualifying as an Indiana Company as defined in Section 2.7 will receive 10 points in this category.

3.2.6 Minority (10 points) & Women's Business (10 points) Subcontractor Commitment - (20 points).

The following formula will be used to determine points to be awarded based on the MBE and WBE goals listed in Section 1.20 of this RFP. Scoring is conducted based on an assigned 20-point, plus possible 2 bonus-points, scale (MBE: Possible 10 points + 1 bonus point, WBE: Possible 10 points + 1 bonus Point). Points are assigned for respective MBE participation and WBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established MBE or WBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%
Pts.	1.25	2.50	3.75	5.00	6.25	7.50	8.75	10.00

NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 8.75 pts., 7.50% will be rounded up to 8% = 10.00 pts.)

If the respondent's commitment percentage is 0% for MBE or WBE participation, a deduction of 1 point will be discounted on the respective MBE or WBE score.

The respondent with the greatest applicable CUF participation which exceeds the stated goal for the respective MBE or WBE category will be awarded 11 points (10 points plus 1 bonus point). In cases where there is a tie for the greatest applicable CUF participation and both

firms exceed the goal for the respective MBE/WBE category both firms will receive 11 points.

3.2.7 Indiana Veteran Business Enterprise Subcontractor Commitment - (5 points).

The following formula will be used to determine points to be awarded based on the IVBE goal listed in Section 1.22 of this RFP. Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-point, scale. Points are assigned for IVBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established IVBE goal, the maximum points achieved will be awarded according to the following schedule:

%	0%	0.6%	1.2%	1.8%	2.4%	3%
Pts.	-1	1	2	3	4	5

NOTE: Fractional points will be awarded based upon a graduated scale between whole points. (e.g. a 0.3% commitment will receive .5 points and a 1.5% commitment will receive 2.5 points)

If the respondent's commitment percentage is 0% for IVBE participation, a deduction of 1 point will be assessed.

The respondent with the greatest applicable CUF participation which exceeds the stated goal for the IVBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable CUF participation and both firms exceed the goal for the IVBE category both firms will receive 6 points.

The Commissioner of IDOA or their designee will, in the exercise of their sole discretion, determine which proposal(s) offer the best means of servicing the interests of the State. The exercise of this discretion will be final.
